OAKLAND, Ind., 6th June, 1859.

J. C. ATER & Co. Gents: I feel it my duty to ne-knowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and get it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a menth, and used almost three bottles. New and bealthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the spostles of the age, and remain ever gratefully. ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erystpelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Preble writes from Salem, N. I have cured many inveterate cases of Leucorrhoea by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was seen cured. Nothing within my knowledge quals it for these female derangements." Edward S. Marrow, of Newbury, Ala., writes, "A dangetous occurion fumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual.
